

Do you have an opinion?

Does the phrase “a clear NA message” mean something to you?

If so, you probably want to come to the SINAC programming committee.

We are the group responsible for choosing all of the workshop & main speakers for the next SINAC in July 2012, and we definitely need support.

Our meetings will be held at 2 pm on the 3rd Sunday of each month beginning June 19th at the Southwest Public Library - 9010 35th Ave. S.W., 98126. That's on the SE corner of 35th Ave. SW and SW Henderson St. in West Seattle.
